# ENJOY GROHE

How do you like your shower? An invigorating burst of water to energize and stimulate – cleansing your body and awakening your mind; or something a little more relaxing – soft, restorative air infused bubbles that gently caresses your skin.

GROHE Power&Soul® showers have been created with full appreciation of your moods and needs. Four innovative spray patterns: GROHE Rain O<sup>2</sup>, Rain, Bokoma Spray™ and Jet, offer a choice of tempting experiences. And with the introduction of the new One-Click Showering – switching between the four patterns has never been easier.

Three sizes of hand showers are available in a choice of two designs: Cosmopolitan and Contemporary – created to ensure complete design coordination with your bathroom interior.

For a personalised shower experience night and day, choose GROHE Power&Soul®.

MAXIMUM VITALIZATION  
IN THE MORNING

TOTAL RELAXATION  
IN THE EVENING

**Bokoma Spray™**

The new Bokoma Spray™ spray introduces a breakthrough in spray pattern technology. Harnessing the power of water, eight dynamic spray nozzles create a 'breathing' effect as they open and close once a second to recreate the tension-relieving effect of a fingertip massage. The spray is ideal for a head or shoulder massage.

**GROHE Rain O<sup>2</sup>**

GROHE Power&Soul® hand showers give you the benefit of two luxurious Rain sprays: our classic Rain spray and the new air-infused GROHE Rain O<sup>2</sup> spray. Select the GROHE Rain O<sup>2</sup> spray and air is drawn into the shower face where it is mixed with high-speed streams of water, resulting in voluminous water droplets and a wider spray.

# ENJOY THE CHOICE OF INNOVATION

Everyone's idea of the perfect spray pattern is different, which is why GROHE Power&Soul® showers feature up to four different sprays. Revitalising or relaxing, stimulating or soothing, whichever sensation you're searching for, we have a spray to match.

## GROHE Jet

A focused circular spray which delivers a refreshing burst of water. Ideal for stimulating the skin or simply cleaning the bathtub or shower.

## GROHE Bokoma Spray™

Eight dynamic spray nozzles create a 'breathing' effect, recreating the tension-relieving sensation of a fingertip massage.

## GROHE Rain O²

A soft, smooth spray based on our original Rain spray. Air is drawn into the hand shower face and mixed with water for a wider and fuller spray.

## GROHE Rain

Wide and luxurious – a soft, delicate pattern to soothe the skin. Mimicking summer rain, the spray provides full and even coverage.

# ENHANCE YOUR MOOD WITH A SINGLE CLICK

At GROHE we innovate to enhance your experience. Conveniently positioned on the back of the hand shower, the One-Click Showering gives you direct access to your preferred spray pattern. Never again will you have to twist the spray face or click through several sprays to reach the one you want. Just press the corresponding button and enjoy.
