THE DESIGN

Softmood Ceramics and baths
designed by Franco Bertoli

Franco Bertoli is one of Italy's most successful designers having created prestigious housing schemes, golf courses and industrial projects including the Fontana Art lamp and the Fiat 370. He has designed for Ideal Standard since 1984.

Softmood furniture and accessories
designed by ARTEFAKT industriekultur

The award-winning internationally renowned German design company was founded in 1989 by Thomas Fiegl and Achim Pohl. Softmood reflects their mission to create distinctive, everyday products that balance form with function and integrate beautifully into their surroundings.

PRODUCT HIGHLIGHTS FIND THE IDEAL SOLUTION FOR EVERY BATHROOM.

Softmood's inimitable style goes hand in hand with minute attention to practical detail. Every element in the extensive range of ceramics, furniture, mirrors and accessories is designed to provide maximum ease of use. For you, this means comfort without compromise.

Experience your bathroom as an extraordinary living space where form and function become one. Create a space just for you – space to relax and unwind

Whether your bathroom is large or small, whatever your individual wishes may be Softmood elements can be combined freely to allow you to find the perfect solution.

Shape your bathroom into an expression of your personal style. With Softmood.

The extensive range of Softmood ceramics includes WC's and bidets as well as basins in a variety of styles and sizes. Nine different basin solutions including pedestal, vanity and vessels, offer the right choice for every requirement and taste – in absolute harmony with the rest of the bathroom.

The vanity's ultra-thin rim measures merely two centimeters, enhancing the lightness and elegance of the Softmood aesthetic.

The softmood range includes vessel and semi-countertop basins providing a full complement of style choices whatever the size of your bathroom.

The basins are available with full or semi-pedestal. The 60cm version can also be mounted onto furniture.

Choose the material - Idealform or Idealform Plus+

The Idealform bath is moulded from a high-quality reinforced cellcast acrylic sheet. This long-lasting material is scratch and stain resistant. It's also warm to the touch and provides exceptional insulation, keeping the water warmer for longer. Idealform Plus+ baths incorporate all the benefits of Idealform, while the extra layers combine to create double the reinforcement for added strength and rigidity. A superior leg set completes the improved specification.

Softmood furniture is available in a wide selection of sizes, and four luxurious finishes offer the right colour choice for every preference: Gloss white, Gloss light grey, Matt light brown, and Walnut. The perfect combination of furniture and accessories with ceramics turns your bathroom into an aesthetic experience.

The high-quality chrome inlays highlight the furniture's soft-edged design, underlining its refinement and elegance.

All Softmood furniture is handle-free, ensuring the perfect, unbroken flow of lines and curves. All furniture fronts and tops are 25 millimeters thick, contributing to the overall quality and luxury of the Softmood range.

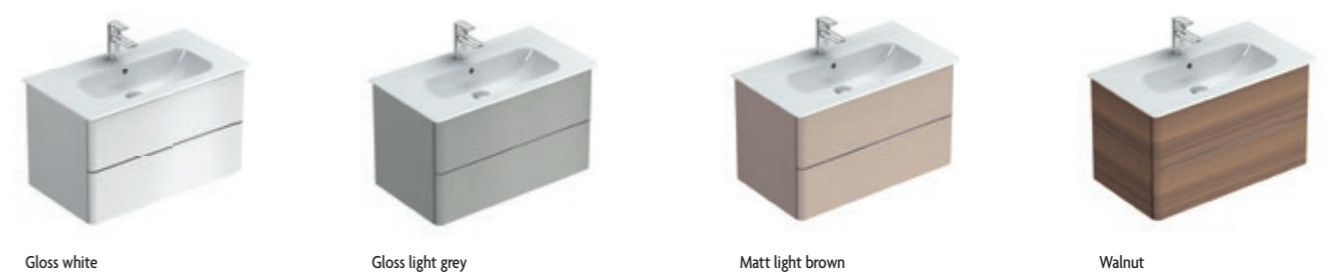

The practical push-pull system allows you to open and close drawers and cabinet doors with a touch.

The wide range of furniture sizes (600mm, 800mm, 1000mm and 1400mm) makes it easy to find the right solution for every bathroom, large or small.

MIRRORS, LIGHTS & ACCESSORIES

The Softmood wall mirrors and mirror cabinets are the perfect complement to the furniture and Softmood ceramics.

Interior LED lighting is IP44 rated and is integrated into the mirror cabinets' doors, allowing you to use 100% of the cabinets' space.

Curved LED lighting is available separately and is specifically designed for the wall mirrors, giving them a clean and sleek look.

The wall mirrors are 22 millimeters thick and set in an elegant aluminum-coloured frame. Their anti-steam system ensures they remain clear even in fogged-up bathrooms.

A luxurious range of accessories in frosted glass with chrome finish completes the Softmood range, adding a touch of comfort and refinement to your bathroom.

GUARANTEE

Our confidence in the quality and reliability of Ideal Standard products enables us to guarantee all ceramic products (including accessories) for a lifetime.

WC seat, cistern fittings and furniture are guaranteed for 5 years from date of purchase. Parts (including flush valves) are guaranteed for 5 years and will be replaced if found to be faulty. The guarantee does not cover general wear and tear.

Our guarantee is offered on all products that have been used in the manner they were intended, and does not apply to any products that have been misused or abused in any way. Products must be installed and cared for in line with our fixing instructions and local water byelaws. The guarantee covers products in domestic use by the consumer and not commercial or business use.

In the unlikely event the product fails within the guarantee period, we offer a free replacement part (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss or damage on installations. When your bathroom has been satisfactorily installed and is working well, please ensure you register your guarantee. The guarantee is transferable - it applies to the product not the purchaser provided guarantee registration details are passed on to the new owner. You can register for guarantees on a bathroom bought on your behalf by a plumber or builder.

Applies to UK and Republic of Ireland only. This guarantee does not affect your statutory rights.

Ideal Standard pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice. Colour reproduction is as accurate as possible within the limitations of the printing process.
