

CONCEPT

THREE SHAPES WITH INFINITE POSSIBILITIES

CONCEPT

What's your style...

Concept is where creative design meets practical solutions. Choose a style which appeals to your taste from three distinctive basin shapes then build your dream bathroom around it. With Concept you can fulfil your whole wish list. You'll discover WC and bathing options, innovative storage, mixers and taps, stylish accessories and some very clever ideas along the way. Whether you're planning a busy family space, an elegant shower room or a compact cloakroom Concept offers a complete solution and value without compromise.

CUBE

SPHERE

ARC

Robin Levien, one of the UK's most successful bathroom designers, has created a beautiful and comprehensive collection that offers choice, practical solutions and affordable luxury to everyone. The latest addition to the collection are Concept fittings and a basin mixer featuring innovative Blue technology.

This brochure is divided into three easy-to-use sections to help you choose your bathroom. Start with your choice of basin shape and size then explore the solutions section which is designed to help you understand the many options available from smart storage to space saving features. Because everyone is different Concept offers huge flexibility so that you can tailor your choices to suit your individual needs. Finally the technical pages give you all the information you need to plan your new bathroom.

Your bathroom concept, your taste, to fit your space.

CONCEPT CUBE

Strong, simple lines provide a contemporary look which is beautifully balanced by Concept's signature soft inner rim. The main basin is a bold statement piece in a range of sizes making it suitable for any space whilst two short projection options bring architectural style to the smallest of bathrooms.

✓ Concept Cube 40cm hand rinse basin; small semi pedestal. Concept 400mm mirror/splashback; towel ring; toilet roll holder. Active single lever basin mixer.

PRACTICAL, COMPACT CHIC

Cube's two short projection basins are specifically designed for smaller spaces – the bowl volume is maximised even though they have a slim profile. The semi-countertop basin is designed to fit the slimline 210mm Concept fitted furniture.

Practical, family sized basins designed to give you space back to breath.

< Concept Cube 50cm short projection semi countertop basin, 2 tap holes; back-to-wall WC. Concept slimline basin unit; slimline WC unit with dual flush cistern and push button; slimline base unit (White Gloss finish); 1500 x 210mm worktop (Dark Walnut finish). Concept 500mm splashback. Concept pillar taps.

^ Concept Cube 60cm basin; pedestal; close coupled back-to-wall WC with Cube cistern; 170 x 70cm bath; Connect bath screen. Concept 550mm mirror/splashback; 500mm glass shelf; toilet roll holder; toilet brush set. Cone single lever basin mixer; rim mounted bath filler, TT Ascari built-in thermostatic shower valve; IdealRain M3 shower kit.

CONCEPT CUBE VANITY

With its minimal, timeless, and elegant design the Concept Cube Vanity range brings a clean and contemporary look to the bathroom. It's an integrated bathroom solution with sizes to suit any space. Comprising of five basin options, each with a dedicated furniture unit featuring soft close drawers.

CONCEPT SPHERE

Sphere offers hotel-chic style perfect for creating a relaxing, tranquil bathing space. Formed of a soothing circle, it is design for the discerning. A range of basin sizes, pedestal and furniture options provide you with endless possibilities and for ultimate luxury the pure round vessel creates a feel of the luxury spa at home.

Concept Blue single lever basin mixer; Concept bath filler; TT Ascari built-in thermostatic shower valve; Idealrain shower kit.

CONCEPT ARC

A classic shape that will sit easily in any bathroom, Arc mixes a smooth curve with a gently scooped interior for a supremely versatile basin. The pedestal version is timelessly elegant, the corner perfect for smaller spaces, or mount either on a range of freestyle furniture options for when storage is a priority.

<
Concept 60cm Arc basin; pedestal; close coupled WC with Arc cistern; 170 x 75cm double ended bath. Concept 600mm mirror with lighting; ceramic tumbler with holder; toilet roll holder with cover; toilet brush set. Concept Blue single lever basin mixer; Concept bath filler.

Infinite possibilities...

Build your 21st century bathroom with Concept. The design has solutions for all the complications of a modern bathroom, from storage pieces in contemporary finishes to water saving mixers and a choice of baths and WCs designed to complement the Concept basins. You'll find inspiration for compact bathrooms along with accessories to enhance your choices and make effective bathroom planning a stress-free pleasure.

Concept 55cm Sphere basin; wall hung WC; wall hung bidet. Concept 800mm Sphere/Arc basin unit (White Gloss finish); 800mm Sphere worktop (Dark Walnut finish). Concept 550mm mirror, toilet roll holder. Concept Blue single lever basin mixer, Concept single lever bidet mixer.

CONCEPT BATHS

Three bath designs offer you everyday indulgence. Each bath has a gently sloped interior which echoes the inner soft rim of the Concept basins and makes them perfect for spa-style relaxation. There's a standard bath in three sizes, a double ended bath and a shower bath designed to maximise showering space.

Concept 170 x 70cm shower bath (right handed); shower bath screen. Concept bath filler; TT Cone built-in thermostatic shower valve, Outline shower kit.

Concept bath 170 x 70cm | 170 x 75 | 150 x 70cm

Concept double ended bath 170 x 75cm

CONCEPT WCs

DUAL FLUSH CISTERN
Because you don't always need a full flush, Concept close coupled WCs are available with 6/4 litre or 4/2.6 litre dual flush cisterns. A long flush push button delivers 6 or 4 litres of water and a short flush button 4 or 2.6 litres. On average, a dual flush ensures 25% water savings if the short flush is used four out of five times a day per person.

Choose a WC to complement your basin shape and bathroom style. With two modern bowl shapes and two cistern shapes there is plenty of choice. The Arc cistern is a perfect semi-circle, the Cube a neat square cistern. Both are dual flush and compatible with the cutting-edge clean lines of the Concept WC or the classic contemporary bowl of the Studio WC. There are close coupled, back-to-wall and wall hung models, all with the option of a slow close seat for added luxury.

ENSUITE

The en-suite has become a desirable must-have for the modern home. The flexibility at the heart of Concept means that whether you're adding a bathroom to the master bedroom or a shower room for guests you'll find an elegant solution. All three basin shapes are offered in compact sizes. Semi-pedestals, wall hung WCs and wall mounted storage all help to create a spacious feel with a clear floor which is easy to clean.

THE ONE METRE SOLUTION

How much space do you need for storage, basin and toilet? With Concept's fitted furniture the answer, incredibly, is just one metre. Available in 300mm or 210mm depths, these WC and semi-countertop basin units are just 500mm wide. Combine them with overhead cabinets to really make the most of your wall space.

Concept Sphere 45cm semi-countertop basin; wall hung WC. Concept 500mm semi-countertop basin unit, 500mm WC unit with dual flush cistern and push button; 500mm wall unit, 500mm mirrored wall unit (American Oak finish); 1200 x 300mm worktop (White Gloss finish). Concept Blue single lever basin mixer.

Concept Cube 55cm short projection basin; semi-pedestal; close coupled WC with Cube cistern; 90cm Idealite shower tray; 90cm Kubo corner entry shower enclosure. Concept 500mm mirror; 500mm glass shelf; 600mm towel rail; toilet roll holder with cover. Active single lever basin mixer; Ceratherm 100 thermostatic exposed shower valve with Idealrain M3 shower kit.

Concept Cube Vanity 60cm basin; 90cm Idealite shower tray; 90cm Kubo corner entry shower enclosure. For the complete Ideal Standard shower enclosures range contact 0800 590311 for a brochure. Concept 600mm Cube Vanity basin unit (Dark Walnut finish). Concept 600mm mirror; 600mm glass shelf; towel ring. ITV exposed thermostatic shower valve with Idealrain S1 shower kit; Concept Blue single lever basin mixer.

CLOAKROOM

Often the only bathroom your visitors see, even the tiniest cloakroom can reflect your style. Concept's flexibility makes it great for unusual spaces like under the stairs, with compact basins and neat storage to utilise awkward corners. Add in Concept's accessories for a cloakroom to be proud of.

Concept Cube 40cm handrinse basin; wall hung WC. Concept 350mm Cube basin unit (American Oak finish). Concept 400mm mirror/splashback; ceramic soap dispenser with holder; towel ring; toilet roll holder. Active single lever basin mixer.

> Concept Sphere 45cm handrinse basin; small semi-pedestal. Concept ceramic soap dish. Concept Blue single lever basin mixer.

>

< Concept Arc 45cm corner basin. Concept corner basin unit (White Gloss finish). Concept towel ring. Concept Blue single lever basin mixer.

^ Concept Cube 40cm handrinse basin; small semi-pedestal; wall hung WC with concealed dual flush cistern. Concept 400mm mirror/splashback; towel ring; toilet roll holder. Active single lever basin mixer.

SPACE SAVING

With Concept a smaller bathroom doesn't mean diluting your style. The range is full of space saving solutions like compact basins and slimline furniture. Make the most of clever design tricks like corner furniture and mirrored units, and use integrated splashbacks and wall mirrors to add a real sense of light and space.

CORNER SOLUTIONS

Where shower or cloakrooms are no bigger than a cupboard, corner solutions really maximise space for moving around in. Concept's design offers the complete package. An Arc corner basin, a chic wall-hung basin corner unit and a mirrored corner wall unit increase the illusion of space and provide essential storage.

A BASIN FOR SMALL SPACES

This Cube basin projects just 37.5cm into the room making it perfect for long narrow spaces, but at 55cm wide it has all the function of a standard basin. The 50cm semi-countertop model fits the space saving slimline fitted furniture to provide storage too (shown right).

< Concept Arc 45cm corner handrinse basin. Concept basin corner unit; 400mm mirrored corner wall unit (Dark Walnut finish). Concept Blue single lever basin mixer.

^ Concept Cube 55cm short projection basin. Concept 500mm glass shelf; ceramic soap dish with holder. Active single lever basin mixer.

Concept Cube 55cm short projection semi-countertop basin; back-to-wall WC; 90cm Idealite shower tray; 90cm Kubo corner entry shower enclosure. Concept 500mm slimline semi-countertop basin unit; 500mm slimline WC unit with dual flush cistern and push button; 300mm slimline base unit; 500mm wall unit (White Gloss finish); 500mm mirrored wall unit; 1500 x 210mm worktop (Dark Walnut finish). Concept 500mm splashback; 670mm shower totem. Active single lever basin mixer; Ceratherm 100 thermostatic exposed shower valve with Idealrain M3 shower kit.

STORAGE

Whether you want the streamlined look of fitted furniture or a smart freestanding style, Concept has it covered. Standard depth or slimline, the fitted furniture is designed to conceal plumbing without losing storage space, while the wall mounted freestyle pieces are perfectly in tune with Concept's modern basins. You can even mix the two, in your choice of size and three contemporary finishes.

Concept Sphere 55cm semi-countertop basin; back-to-wall WC. Concept 600mm semi-countertop basin unit; 600mm WC unit with dual flush cistern and push button; 300mm base units with door and 3 drawers; 300mm wall units; 600mm mirrored wall unit; 1200mm plinth (White Gloss finish); 1800 x 300mm worktop and 170cm front bath panel (American Oak finish). Concept 600 and 300mm splashbacks; toilet roll holder. Cone single lever basin mixer.

Concept Cube Vanity 130cm double basin. Concept 1300mm Cube Vanity basin unit (White Gloss finish). Concept 1300mm mirror; ceramic tumbler with holder. Concept Blue single lever basin mixers.

FINISHES

Concept furniture is available in a choice of White Gloss, American Oak or Dark Walnut finishes. You also have the option of contrasting worktops, for instance White Gloss worktops on American Oak units.

FEATURES

1 The shelf link unit is designed to create a seamless join between individual units. You can link a freestyle basin unit with a fitted WC unit or as in this case, with a tall unit.

2 The Sphere/Arc basin units feature one soft close drawer which is deep enough to accommodate taller items such as cleaning products.

3 The Cube basin unit features two drawers to help organise life's necessities.

4 The 1300mm Cube Vanity basin unit provides a touch of luxury with his and her storage in four generous drawers.

5 The Sphere/Arc basin units are available with either a Sphere, Arc or Vessel worktop depending on which basin you choose.

6 The floorstanding basin pedestal unit can be used with a selection of Cube, Sphere and Arc basins and provides essential tucked-away storage in an otherwise unused space.

7 The side unit is designed to complement the Sphere/Arc basin units and provides another deep drawer. This image shows the detail of the collar on the Arc worktop which provides an easy-clean seal between basin and unit.

CONCEPT MIXERS & TAPS

The latest range of fittings to feature a basin mixer with Blue technology. Concept mixers and taps and have been designed to complement the Concept range but would also perfectly enhance other ranges. They offer a wide choice of innovative fittings that combine distinctive design and high performance features to guarantee quality, comfort and ease of use.

Concept Blue basin mixer with pop-up waste

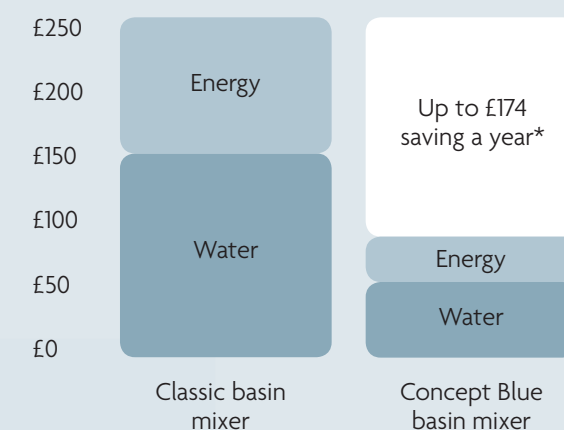

Concept Blue basin mixer without pop-up waste

The Concept Blue basin mixer features revolutionary new technology that helps save water and reduce energy costs. It also features IdealPure® which ensures a higher level of water purity. Clever design to complement and complete the Concept bathroom.

SAVE WATER – SAVE MONEY

The Blue basin mixers are engineered to use less water and energy thanks to features like the flow regulator and the fact that less water is held in the tap when it is off. Saving energy and water also saves you money and those savings add up fast...

MORE INTELLIGENT WATER FLOW

By reducing the amount of water held in a Blue fitting by 80%, there is less water to flush through. That also means there is 80% less water in the tap to stagnate and allow bacterial growth.

The flow regulator reduces water consumption from 9 to 5 litres per minute without any noticeable loss of flow, as water is mixed with air.

A REVOLUTION IN WATER HYGIENE

Another first from Ideal Standard, our IdealPure® technology, the first of its kind, gives you nickel- and lead-free waterways. Waterways are made from special plastics ensuring water never makes contact with any metals and that means clean safe water, every time.

GUARANTEE
Our confidence in the quality and reliability of Ideal Standard products enables us to guarantee all ceramic products (including accessories) for a lifetime and Idealform acrylic baths for twenty-five years from date of purchase.
Bath panels, mixers, showers and taps, WC suite, cistern fittings and furniture are guaranteed for 5 years from date of purchase. Bath screens are guaranteed for 10 years from date of purchase. Parts (including flush valves) are guaranteed for 5 years and will be replaced if found to be faulty. The guarantee does not cover general wear and tear.
Our guarantee is offered on all products that have been used in the manner they were intended, and does not apply to any products that have been misused or abused in any way. Products must be installed and cared for in line with our fixing instructions and local water byelaws. The guarantee covers products in domestic use by the consumer and not commercial or business use.
In the unlikely event the product fails within the guarantee period, we offer a free replacement or replacement part (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss or damage on installations. When your bathroom has been satisfactorily installed and is working well, please ensure you register your guarantee. The guarantee is transferable – it applies to the product not the purchaser provided guarantee registration details are passed on to the new owner. You can register for guarantees on a bathroom bought on your behalf by a plumber or builder.
Applies to UK and Republic of Ireland only. This guarantee does not affect your statutory rights.
