**SHADES**  
BATHROOMS

## Your bathroom, your way...

"We know that your bathroom is a real investment. It needs to combine a fantastic designer feel with the practicalities of everyday life. Here at Shades we've years of experience in meeting those needs. We insist on bringing you the highest quality products, with the lowest possible environmental impact.

In this brochure we'll guide you through the process of creating the perfect bathroom for you. Let yourself be inspired by our ranges and Finishing Touches collection. And, for added confidence, you can rely on our selected retailers' knowledge and expertise. So you can relax and enjoy the experience of creating your bathroom, your way."

NEIL McDONALD,  
DESIGN MANAGER, SHADES BATHROOMS

# your room, your way...

On trend doesn't mean quick to date. We've taken inspiration from the worlds of fashion and design to the natural world to create up-to-the-minute looks that will last.

see our designer tips on **p6**

You'll use your bathroom every day. Here's how to make the most of its size and space in four easy stages.

find our clever storage solutions on **p8**

## the bathrooms...

Make your bathroom as individual as you are. Select your style then mix and match the look you want with the practical pieces you need. Go modular for the designer feel that's unique to you.

take your pick, starting from **p12**

Get a designer look tailored just for you. Fitted bathroom furniture brings sleek, stylish sophistication whatever the space you've got to work with. One of life's little luxuries, fitted around you.

start setting the scene from **p50**

## the detail...

Make it individual, make it personal, make it yours. Your finishing touches will add the contemporary flair, timeless elegance or understated simplicity that truly makes it your bathroom, your way.

read more from **p96**

Make sure it all measures up with our vital stats.

plan ahead from **p106**

## Why choose Shades?

Shades bathroom furniture is, quite simply, a cut above. Our collections are crafted with long-lasting quality and cutting-edge design in mind. Affordable luxury, stylish practicality and effortless chic combine in modular or fitted form to create a bathroom as individual as you are.

Complete with the coveted Royal Warrant, Shades bathroom furniture will grace any classic or contemporary home for years to come.

## lifetime guarantee

Crafted to last

Lifetime guarantee on all our products

Made in Great Britain

## low environmental impact

Materials ethically sourced

We use timber from a sustainable source

FSC certified

We use efficient logistics

The mark of responsible forestry

## Lonigo fitted

This stylish high gloss white, handleless design is now available in the fitted range.

## Bath panels

Our bath panels and ends are now available in all cabinet colours for the perfect match.

## Heated wall mirror

Includes a demister pad for a steam free mirror.

## Tall wall mounted rotating mirror

Our ¾ size rotating mirror cabinet has proved so popular we decided to introduce a tall size version that has even greater storage capacity and a full length mirror

## Solid surface - new sizes available for modular ranges

These new sizes are available in all existing colours.

high-gloss

High gloss – add high gloss finish units to bounce light and create a fresh feel.

# curved units

Curved units - handleless for clean, simple lines that add a dramatic touch to any bathroom.

Worktops – choose a complementary or contrasting colourway for maximum impact.

# handleless

For us, inspiration is just the start...

We don't just spot trends. We cast a design-focused eye on the looks, the colours, the textures that are in fashion now but will stand the test of time. From an overall stylistic influence to the little details that make a big difference, we create ranges that deliver designer looks with practicality in mind.

DESIGN MANAGER  
SHADES BATHROOMS

Make small beautiful with bathroom furniture designed to add wow factor, whatever room shape or size you've got to work with. We've thought it all through for you, from practical storage solutions to sleek looks and lines that make the biggest style impact.

Slimline minimalism—  
amazing design values  
even when space  
is at a premium.

# small bathrooms

You'll love the look you can create even in the most awkward space. Make it traditional or contemporary, add those vital Finishing Touches and find a place for everything without a hint of crammed in. With Shades, the possibilities of small are endless...

## Think carefully about how you use your bathroom. We have...

Whether it's for daily family use, an en suite retreat for you or a cloakroom to impress your guests, you'll need to think about the practicalities of space and storage. We design every range with your needs in mind, combining creative vision with the clever storage options that will make your bathroom a clutter-free oasis for the perfect start and end to your day.

## 1. What's your bathroom for?

family bathroom, your personal en suite or a cosy cloakroom?

Manic mornings with military precision to get everyone ready to go? A stress-free place to relax and reflect? A space for guests to freshen up? It all impacts on the storage you'll need to make your bathroom work its hardest for you.

## 2. See how it shapes up...

Take a look at the size and shape of your room. It's time to get clever with those nooks and crannies or move about the space to get a feel for where you'll want things to hand. Now your individual bathroom design can take shape too.

'his and hers' sinks

freestanding bath

shower or wetroom

Square rooms

Rectangular rooms

'L' shape rooms

### 3. Tailor your storage solutions...

## a place for everything

From bulky towels to lotions and potions; cleaning materials kept away from curious little fingers to your daily-use cosmetic items... with Shades you'll have a cleverly-designed space for all this and more. Maximise storage, minimise clutter and create the bathroom that's just right for you.

#### WC Cabinet

A clever storage cupboard where you would least expect.

#### Mirror Storage

Keep all your daily-use cosmetic items to hand.

#### Tall Wall Storage

Maximise storage and minimise clutter with tall wall storage.

#### Cabinet Storage

We've even designed a drawer that fits around your basin to maximise storage.

# S

SPACE & STORAGE

## 4. Add the personal touch...

Accessorise your bathroom with the little details that deliver big design impact. Your Finishing Touches will really make it your bathroom, your way. So pay attention to detail for stunning results.

**Mirrors** - bring your bathroom to life with reflected light that opens up the space.

look into it on **p104/105**

**Countertops** - complement or contrast with a hard-wearing, easy clean countertop.

top off your look on **p100**

**Handles** - a little designer detail that dazzles.

get a grip on **p102/103**

**Taps** - make a style statement that runs hot and cold.

start with the cool options on **p99**

**Sanitaryware** - beautiful basins and WC's for the ultimate luxury look.

make your choice on **p99**

**Framing Panels** - perfectly framed bathroom furniture gives a finished feel.

surround yourself in choice on **p103**

# M

## MODULAR

Make your bathroom yours.  
Make a statement.  
Make an impact.  
Make the most of your space.

Modular means flexible.  
Mix and match.  
Being as creative as you feel,  
and as practical as you need.  
Select the design that  
says who you are.  
Then tailor your furniture to fit.

Bring your vision to life.  
Create a room that's all about you.  
For classic or contemporary style,  
simply go Modular.

# Our modular range is all about allowing you to take the design reins...

Our flexible furniture solutions act as your inspiration to put together the pieces that make your bathroom unique to you. Enjoy the confidence to get creative, but don't hesitate to ask for our professional advice to ensure you achieve your aesthetic aims.

## 1. Select your stylish basin

## 3. Choose a mirror to reflect your look

## Lonigo

16 High gloss, curved, handleless lacquered door shaped perfectly to coordinate with the beautiful Italian designed ceramic basin.

# High gloss white doors deliver the height of cool minimalist style for a contemporary bathroom with wow factor.

This contemporary design is bang on trend with handleless styling and clean lines for the ultimate in cool chic. The high gloss finish reflects light beautifully, bouncing it around your room for a warm, bright feel. For maximum storage space with minimalist flair, opt for the double drawer washstation to keep that no clutter luxury look.

## choose your basin

This double drawer washstation provides maximum storage.

## Rovigo

20 A stunning real oak timber door which creates a sensational fusion between the classic feel of the natural timber and the contemporary style of modular furniture.

# Inspired by Shaker design values and styled in a classic oak finish, Rovigo is equally at home in a traditional or modern setting.

This new addition to the modular range allows you to mix classic and contemporary styling to create your own unique bathroom design. Timeless oak is perfect to complement traditional features and also adds a touch of elegance to the most modern bathroom. Make it practical by adding a rotating cabinet next to your basin – combining a mirror and clever storage space, for everyday convenience that doesn't detract from the overall aesthetic.

## choose your basin

inset basin      sit-on basin

## cloakroom option

A rotating cabinet combines a mirror and clever storage space.

## Pesaro

For a clean, fresh look go all out on the gloss white. The classic Shaker door is the perfect partner for the gloss white cabinets.

M  
MODULAR

# Adding a modern twist to the classic Shaker design, this range offers a best-of-both-worlds designer look.

Styled in classic white, Pesaro looks even more stunning when teamed with a contrasting black countertop for dramatic effect. Pay attention to detail with your Finishing Touches by adding our new gently curved, square handle for a polished designer finish.

### choose your basin

### cloakroom option

(500mm wide, includes 2 door washstation and basin)

### choose your washstation

### choose your wc cabinet

### choose your mirror

New gently curved handles add a designer finish.

## Aspen White

Contrast high gloss white doors with the warmth of textured driftwood cabinets, for simple modernity.

## Aspen Ivory

A softer colourway to create a more classic ambience.

## Aspen Black

Strikingly chic, give your bathroom a contemporary look with bold, high gloss black complemented by gloss white cabinets.

## A softer colourway to create a more classic ambience.

The sheer simplicity of this style lends itself to any bathroom. Choose to go monochrome by matching Aspen White or Black cabinets with stark accessories or add a splash of daring colour with your towels and blinds. Aspen Ivory is perfect with pastel shades for a welcoming, relaxing space. Add a slim, sleek countertop and contemporary handles to any colourway, and enjoy surprisingly spacious drawers cleverly designed to fit neatly around your plumbing.

### choose your basin

rectangular or circular halo mirror

Add contemporary handles for a classic look.

## Floro

A distinctive driftwood finish offers an ultra modern look with all the flexibility of our modular format.

# Floro is an amazing choice for the modern bathroom and suits any colour scheme.

Let its unique finish do the talking by keeping accessories simple for a clean, contemporary look. We've added innovative storage solutions such as the WC cabinet plus a wall hung WC pan for an added contemporary touch.

## choose your basin

A tall wall cabinet provides useful additional storage.

## Manhattan White

Minimal chic for maximum impact in clean, simple white.

# Like its namesake, Manhattan is up-to-the-minute cool yet its contemporary style simply won't date.

The clean door lines are complemented by textured driftwood cabinets and we've created incredibly flexible storage solutions that deliver the ultimate in practicality and style. Add a stunning Italian-design ceramic basin and focal point halo mirror to create a stunning bathroom scheme.

## choose your basin

Stunning Italian-designed basin and halo mirror.

## Bali

A rich truffle brown finish and deep textured graining simply exudes luxury.

## Choose Bali to bring traditional elegance to your bathroom.

Surface texture plays an important role in bathroom design, so Bali is as tactile as it is stunning. The contrast is delivered by the smooth, slimline, integrated basin which adds unobtrusive style to a range with real visual impact. The single washstation drawer offers ample storage. Team Bali's deep, rich colour with creams, chocolate and cappuccino accessories for understated style.

## Rovigo

60 Create a sensation. A classic timber door with a beautifully crafted Shaker profile has real impact.

F  
FITTED

The crisp bevelled profile takes its inspiration from Shaker design for the ultimate classic look with beautifully crafted warm, natural timber doors.

This new range is inspired by the trend to combine materials and textures like timber, metals and ceramics. We've paid attention to detail, but you'll add the Finishing Touches to make this design your own: contrast the tactile timber with a cool, solid surface countertop for the ultimate in opulence. Keep your accessories simple and let the natural wood shine through for a stylish statement bathroom.

FITTED

## FINISHING TOUCHES

Bring your individual style to life with the personal touches that say it all. It's what makes your bathroom truly yours; attention to the details that complete the room you've created. We can guide you on what works best, but the choice, as always, is yours.

**Shades' sanitaryware has been carefully designed to fit with any bathroom furniture style. There are options for fitted or modular.**

Your basin, WC and taps are vital components of your overall design, so we have kept the range simple yet striking to suit your finished look.

## contemporary framing panels

Co-ordinate or contrast your framing panels with your cabinet finish to achieve a neat, seamless feel. Available in gloss white, oak, walnut, driftwood and lissa oak the panels come in two sizes for your wall units and base units to give a professionally-completed look (see left).

### Countertop options:

It is recommended that contemporary framing is used with the select range of countertops. For more information see page 100.

**LF205**

Here's all the essential planning information you need to help you plan your new Shades bathroom.

# planning - modular units

The information below is for height positions of cabinets.

These dimensions are to be used as a guide and should be tailored around your requirements.

If your installation uses wall hanging brackets only, then you or the installer can position the cabinets to the height of your choice.

# planning - fitted units

The information below is for height positions of cabinets based on 150mm plinths being used. For 200mm plinths increase height by 50mm.

These dimensions are to be used as a guide and should be tailored around your requirements.

If your installation uses wall hanging brackets only, then you or the installer can position the cabinets to the height of your choice.

Here's all the essential planning information you need to help you plan your new Shades fitted bathroom.

**Lifetime  
GUARANTEE**

## SHADES BATHROOMS

Shades bathroom furniture offer a lifetime guarantee on its products, limited to domestic users only. The terms of this guarantee are detailed below.

1. This guarantee covers the material element of all cabinets and doors from material or manufacturing defect. In the unlikely event of a product defect or failure and subject to the terms of this guarantee, shades bathroom furniture will provide, free of charge replacement product(s) or part(s) within the lifetime of the guarantee.
  2. Shades bathroom furniture reserves the right to amend the specification referred to in these instructions without prior notice.
  3. In the event of product discontinuation shades bathroom furniture reserves the right to offer a suitable alternative product or part.
  4. This guarantee is limited to the original purchaser and is not transferable.
  5. All product supplied by shades bathroom furniture must be fitted in accordance with the instructions provided.
  6. The furniture should be subject to normal domestic use only. Items should not be exposed to extremes of heat, moisture or poorly ventilated areas.
  7. Adequate care and maintenance has been carried out in accordance with our instructions.
  8. Any claim relating to this guarantee should be received in writing at the address overleaf stating the details of the product at fault.
  9. The provisions of this guarantee do not affect the customer's statutory rights.
- Exclusions**
10. All products not part of the material element of a cabinet or door i.E. Sanitaryware, lighting, etc.
  11. Components rendered defective as a result of improper or negligent use, substandard or incorrect installation.
  12. Any replacement components, the supply of which is outside our control and are unavailable to shades bathroom furniture at the time.
  13. Any deterioration resulting from reasonable wear and tear.
  14. Any maintenance requirements, i.E. Adjustment of hinges or the fitting of any replacement components provided by shades bathroom furniture.
  15. Product colour variation.
- For the purposes of this guarantee 'components' are defined as unit carcass, shelves, doors, hinges, handles and drawer frontages, drawer boxes and runners, countertops, sanitaryware and tapware.
